

Directions to our Gardens

Windwhistle Wander is being held at Windwhistle, directly West of Christchurch. Just under an hours drive from the west side of the city, around 45 minutes drive from Rolleston or Ashburton and just over an hour from Geraldine or Rangiora, the Open Day involves two gardens only 8 minutes drive apart with Fable Terrace Downs situated between the two making it the ideal stop for lunch (booking required) or a coffee with a spectacular view.

To find us on google maps, keep this email on your phone and just click the link to get to each garden.
